

RESOLUTION NO. 25-011

A RESOLUTION OF THE SANIBEL FIRE AND RESCUE DISTRICT OF LEE COUNTY, FLORIDA, APPROVING THE PURCHASE OF BATTERY-POWERED RESCUE TOOLS TO REPLACE OUTDATED GAS-POWERED EQUIPMENT ON FRONTLINE APPARATUS.

WHEREAS, the Sanibel Fire and Rescue District has identified the operational need to replace costly gas powered equipment on frontline apparatus with more efficient battery powered alternatives; and

WHEREAS, the purchase includes two (2) battery-powered K12 saws and two (2) battery-powered chain saws, with an additional battery provided for each tool, and a five (5) year manufacturer warranty on each item; and

WHEREAS, the District solicited three written quotes, and Municipal Emergency Services (MES) submitted the lowest quote for the highest quality tools, in the total amount of \$8,611.32, including shipping; and

WHEREAS, the proposed equipment will enhance safety, reduce maintenance problems, and eliminate the risks associated with storing and operating gasoline powered tools onboard fire apparatus;

NOW, THEREFORE, BE IT RESOLVED BY THE SANIBEL FIRE AND RESCUE DISTRICT OF LEE COUNTY, FLORIDA, AS FOLLOWS:

1. The Board of Fire Commissioners hereby approves the purchase of two battery-operated K12 saws and two battery-operated chain saws, including one extra battery for each tool and five-year warranties, from Municipal Emergency Services (MES) in the amount of \$8,611.32.
2. The Board finds that MES provided the lowest of three written quotes while meeting all operational and performance specifications.
3. The Fire Chief is hereby authorized to take all necessary steps to complete the procurement and place the new tools into service.
4. This resolution shall take effect immediately upon adoption.
