Ethics:

The Board of Commissioners for the Sanibel Fire & Rescue District have formally adopted an "Employee Code of Ethics" as written in the District Employee Handbook.

To avoid misunderstanding and conflicts of interest that could arise, the employees and elected officials of the District shall also adhere to the following:

112.313(2) F.S. No employee shall solicit or accept anything of value to the recipient including a gift, loan, reward, promise of future employment, favor or service, based upon any understanding that the official action or judgment would be influenced thereby. In addition, other gifts may be accepted so long as the fair market value does not exceed \$100.00.

The District may accept donations of any amount. Donations will be used as the District sees fit.

112.313(6) F. S. No employee shall corruptly use or attempt to use their official position or any property resource which may be within their trust, or perform their official duties, to secure a special privilege, benefit or exemption for himself/herself or others. Employee(s) accepting employment with any others employer while employed by the District shall do so only as long as the employment is not a conflict of interest. In such instances, the employee's primary obligation shall continue to be the District and he/she shall arrange his/her affairs accordingly. Personnel will not engage in outside employment that is a conflict of interest, or that has the appearance of impropriety.

112.313(7) F. S. No employee shall have or hold any employment or contractual relationship with any business or entity or agency which is subject to the regulation of, or is doing business with, an agency of which he/she is an officer or employee unless otherwise permitted by Statute, see 112.313(7)(2)b. Additionally, no employee shall hold employment or contractual relationship that will create a continuing or frequently occurring conflict between his/her private interests and the performance of his/her public duties or that would impede the full and faithful discharge of his/her public duties.
