ADDENDUM NUMBER 1 TO RFP 23-001

TO: All Potential Bidders

FROM: Sanibel Fire & Rescue District

DATE: 11/2/2023

RE: RFP 23-001: Brush Truck Specification Update

NOTICE OF SPECIFICATION CHANGE

Please be advised that an important modification has been made to the specifications outlined in the Request for Proposals (RFP) 23-001 for the procurement of a Brush Truck for the Sanibel Fire & Rescue District.

ATTACHMENT 1: BRUSH TRUCK SPECIFICATIONS – UPDATE

The original RFP 23-001 Attachment 1, issued on 11/1/2023, is hereby amended and can be found at <https://www.sanibelfire.com/rfq-rfp>.

1. REMOVAL OF NON-COMPLIANT WORK AREA: The Sanibel Fire & Rescue District has decided to remove the specification for a non-NFPA (National Fire Protection Association) compliant work area located behind the cab of the brush truck. This decision is effective immediately and is to ensure the safety of the personnel and compliance with the NFPA standards.

We apologize for any inconvenience this modification may cause and appreciate your attention to this matter. We thank all participants for their understanding and continued interest in supporting the Sanibel Fire & Rescue District.

For any inquiries or further information regarding this addendum or RFP 23-001, please contact the Sanibel Fire & Rescue District's at 239-472-5525.

This Addendum No. 1 is issued to modify the previously issued RFP 23-001 – Attachment 1 as described above and is hereby incorporated into the RFP. All other terms and conditions of the RFP 23-001 remain unchanged unless otherwise amended by this Addendum.

Sincerely,

Chris Jackson
